Education

Sathyabama Institute of Science and technology   **2019 - 2023**
Bachelor of Engineering (B.E) in Computer Science and Engineering//(8.7CGPA)   *Chennai, TamilNadu*

Skills

Languages: C, C++, Python, JavaScript, HTML, CSS
Frameworks: React, Node, Express, JQuery, Bootstraps
Databases: MySql, MongoDB

Teaching and Open Source Contribution

TA and Instructor   **March 2021 – Present**
Hash Hack Code
- Instructing Web development to the students.

Open Source Contributor   **February 2021 – Present**
Girl Script summer of code
- Contributed to Neo Algo Data Structure and Algorithm project under Tesseract coding as part of GirlScript Summer of code contributor.
- Currently contributing to DevTernShip project. It's a Web Development project.

Open Source Contributor   **February 2021 – March 2021**
Cross Winter of code
- Contributed to a Data Structures and Algorithms project. Implemented a few algorithms.
- My 10 Pull Requests got merged and all my contributions made me to sit in the 15th position as a contributor for this project.

Projects

Keeper App Clone | *React*   **May 2021**
- Developed a Google Keeper App Clone. I have built it using react framework.

Chat Box| *React*   **May 2021**
- Developed a real time chat application using react framework.

Snake Game | *Python*   **April 2021**
- Developed a Snake game using turtle library.

Arcade Game | *Python*   **April 2021**
- Developed a Arcade game using turtle library.

Volunteer Experience

- Campus Leader @ Code for Cause : Instructed thousands of people on CodeforCause youtube channel and also community members. Apart from it I promote codeforcause.

- Management Team Member @ Developer Student Club : Currently working on a Discord bot project using python. Apart from it I come up with innovative ideas for events, Hackathons,etc.

Extracurricular and Certificates

- Participated in Hackathon and build a protfolio web application which is conducted by Developer student club VIT Bhopal.
- I have done C and C++ NPTEL certifications which is conducted by IIT Kanpur.
- I have Completed Web development course which include both Front and Back-end developement in udemy.
